rithishrajesh22@gmail.com — 8680011764 — Chennai, Tamil Nadu

## Objective

---

Aspiring software developer with a passion for backend development and secure application design. Looking to leverage skills in Laravel, Python, and MySQL to build efficient, scalable, and impactful software solutions.

## Education

---

**B.E. Computer Science (Cyber Security)** - Prince Dr. K. Vasudevan College of engineering and tech 2023 – 2027

- CGPA: 6.8

## INTERNSHIP

---

**AI Intern, Iproat Solutions**

Jun 2025 – Aug 2025

- Developed backend components using Python and PHP for an attendance management system
- Implemented fuzzy string matching (FuzzyWuzzy) to improve accuracy in employee data processing
- Strengthened understanding of AI fundamentals and real-world software workflows

## Projects

---

**College Blog Application**

(Laravel 12, Tailwind CSS, MySQL)

- Developed a college blog platform using Laravel 12 and Tailwind CSS with role-based authentication and a custom admin dashboard.
- Built reusable Blade components for multi-department event publishing, student activities, workshops, and announcements with responsive UI/UX.
- Implemented secure CRUD operations, image handling, and a mobile-first architecture for a scalable content management system.

**Inventory Management System**

(FastAPI, SQLite, Python)

- Inventory Management System Developed a full-featured REST API for real-time inventory tracking, product management, and order processing  
Implemented automated low-stock alerts and report generation to help businesses maintain optimal stock levels  
Added secure user authentication with JWT tokens and role-based access control for admin and staff users  
Used async database operations with SQLite to ensure fast and efficient data handling

## Skills

---

Laravel — PHP — MySQL — Python — Spring Boot — Tailwind CSS — C++ — HTML/CSS

## Achievements

---

- Runner-up – State Throwball Championship (2022) — Participated in multiple state-level Fistball competitions
- Active involvement in NSS and Scouts community activities

## Languages

---

Tamil (5) • English (4)

## Strengths

---

Hard-working — Motivator — Statistical Analysis — Punctuality — Practical thinking
